Re: Charter Flights to Wilkes-Barre/Scranton International Airport

Dear Governor Wolf:

Recent media reports indicate that flights including minors in ICE custody, potentially including illegal immigrants, have been chartered into Wilkes-Barre/Scranton International Airport several times this month. As a matter of public interest and safety, I am formally requesting additional information regarding the nature of these flights.

Specifically, I am requesting information regarding:

- The total number of flights chartered by ICE into Pennsylvania airports.
- Future flights planned by ICE into Pennsylvania airports.
- Passenger manifests and immigration status of all passengers.
- Additional health and safety measures that have been taken by your Administration in relation to these flights.
- Any other information that is relevant to this subject matter.
- If these individuals were all tested for Covid-19 before being transported into the Commonwealth.

The people of Pennsylvania have a right to this information and the fact that these flights have been happening without their knowledge is disturbing to say the least. I intend to use the power of my office to get answers on behalf of the people.

Full transparency regarding these flights is necessary to ensure the health and safety of Pennsylvania communities is adequately protected. I look forward to your response.

Sincerely,

Jake Corman  
President Pro Tempore  
State Senator, 34<sup>th</sup> District
